

Decision 04-09-030 September 6, 2004

**BEFORE THE PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA**

Order Instituting Investigation into the Ratemaking Implications for Pacific Gas and Electric Company (PG&E) pursuant to the Commission's Alternative Plan for Reorganization under Chapter 11 of the Bankruptcy Code for PG&E, in the United States Bankruptcy Court, Northern District of California, San Francisco Division, In re PG&E, Case No. 01-30923 DM.

Investigation 02-04-026  
(Filed April 22, 2002)

**ORDER CORRECTING ERRORS  
IN DECISION 04-08-025**

It has been brought to the Commission's attention that Decision (D.) 04-08-025, which awarded compensation to Greenlining Institute, among others, contained inadvertent errors in the compensation awarded to Greenlining Institute. As a result of these errors, the direct expenses described on page 46 (totaling \$2,133.65) were not incorporated into the summary tables on page 47 and 59 or in the total awarded figure listed throughout the text of the order and the ordering paragraphs. Instead, the Direct Expense line item still listed \$1,804.62. Because of these errors, D.04-08-025 awarded Greenlining Institute \$97,230.37, instead of \$97,559.40. This modification changes the sum of the dollars awarded to all intervenors to \$1,380,851.64 from \$1,380,522.61.

Throughout the decision, \$97,559.40 should replace \$97,230.37. Corrections should be made to pages 1, 47, 59 and Ordering Paragraph 1. In addition, there is a typographical error on page 47. On that page, \$96,577.01

should also be replaced with \$97,559.40. Another typographical error occurs on the Compensation Decision Summary Information attached to the decision, the Amount Awarded column for Greenlining Institute should list \$97,559.40. In addition, throughout the decision, \$1,380,851.64 should replace \$1,380,522.61. Corrections should be made to page 57 and Finding of Fact 3.

Finding of Fact 3 should be modified to read “The total of these reasonable fees is \$1,380,851.64.”

Ordering Paragraph 1 of D.04-08-025, should be modified to read “As compensation for their substantial contributions to Decision 03-12-035, we award Aglet Consumer Alliance (Aglet), \$126,971.34; California Hydropower Reform Coalition (CHRC), \$255,971.28; Consumers Union of U.S. Inc. (CU), \$33,465.40; Greenlining Institute (Greenlining), \$97,559.40; and The Utility Reform Network (TURN), \$866,844.22.”

Therefore, under the authority of Resolution A-4661,

**IT IS ORDERED** that Decision 04-08-025 is corrected to incorporate the changes described herein.

Dated September 6, 2004, at San Francisco, California.
